

I Respectfully urge the FCC to reject the NAB's petition 04-160 which would limit local content in the San Diego area. The commercial radio stations in San Diego feel threatened by the success and rapid growth of this new medium. While I pay \$16 for two radios, I receive clear, uninterrupted radio signals, no commercials and an excellent, broad spectrum of music.

Don't let the earth bound stations attack my rights, so they can sell toothpaste.

Respectfully

W.D. Riley
